List of Short Notes etc.

In the earliest issues a separate index of queries and replies was included. More recently queries have been dealt with other than through these pages and, where appropriate, recorded in *N & Q* in ‘Letters to the Editor’. These latter are listed here. The content of the previous index has also now been incorporated here for the sake of consistency. Items so transferred are indicated by ‘Q’ and ‘R’. Not all have yet received answers and further information will be welcomed .
