

ARCHIBALD W HADLOW

This may be **Archibald W. Hadlow**, identified in the Medal Roll Index Cards as a Corporal in the R W Kent Regiment, transferring to the Royal Fusiliers, 3rd London Regiment. His Service and Pension Records could not be found.

The photograph may have been taken when his mother came to visit him at Norton Hall, or taken after he had gone home on leave. It seems more likely to have been taken at the time, as it has not been posted.
